

The Letter from Dr. Huang Ying-Cheng (stay in 1st-Aug. ~ 30th-Sep., 2019)

* What is your belongs and research area?

I am currently belonging Orthopedics Department, Kaohsiung Veterans General Hospital, Taiwan, as hand surgery fellowship.

* Why choose our hospital or University ?

Because I would like to learn the latest technique of wrist arthroscopic surgery, including 1st carpometacarpal suspension arthroplasty, Trifibrocartilage complex reconstruction, and microsurgery with Dr. Omokawa.

* How is your working circumstances?

I think it is very impressive for me. I experienced a lot of surgeries different from what I have learned. The working colleagues were very friendly. The facility of the hospital is very surprisingly nice.

* **How is your private life here?**

* **have you been staying at our Guest House? Yes · No**

I have been living in the Guest House and spend wonderful days there. The old building is historical and beautiful. I could enjoy the alone life independently, instead of being lonely.

* **What is the impression of Japan, Nara Pref.?**

It is local and friendly city. Even though I cannot speak Japanese, I could communicate with people with English and body language easily, and understand the Chinese characters.

* **Please give a message for the coming Doctors or Researchers in future !!**

It would be nice experienced and unforgettable memory here.
